

FOR IMMEDIATE RELEASE:

*Horizon Advisors Named 2008 Wealth Manager Magazine Top Dog*

HOUSTON, TEXAS, August 14, 2008—Wealth Manager Magazine released its annual ranking of the 2008 Top Dogs in their July/August 2008 issue. Out of 478 firms from 44 states participating, Horizon Advisors ranked 183rd in average assets under management per client. Horizon Advisors has grown steadily with \$132,473,059 under management at the close of 2007.

“After a year as unpredictable as this one, it’s to their credit that wealth managers have been able to keep clients focused on the long term and that they continue to uncover the opportunities that this market uncertainty presents,” said Wealth Manager’s Editor in Chief, Kathleen M. McBride.

Survey respondents do not include banks, broker/dealers or trust companies.
